The Process of Designing Your Dream Bathroom

When you work with the experienced bathroom designers at Wakefield, you can be sure that your dream [Formosa Bathrooms](#) will become a reality. We will work with you to create a space that is both functional and stylish, and that meets all of your needs. Here is a look at the process we use to design your dream bathroom:

First, we will meet with you to discuss your vision for the space. We will ask about your style preferences, as well as what kind of functionality you are looking for. We will also take measurements of the space so that we can create a custom design that fits perfectly.

Next, we will create a custom layout for your new bathroom. This will include choosing the right fixtures and finishes to complete the look. Once you approve the layout, our team will get to work on making your vision a reality.

Throughout the process, we will keep you updated on our progress and make sure that you are happy with the results. We want you to love your new bathroom as much as we do, and we will go above and beyond to make sure that happens!

Examples of Past Projects

The talented team at Wakefield has years of experience designing and renovating bathrooms. We've worked on all kinds of bathrooms, from small powder rooms to large master suites. No matter what your vision is, we can help make it a reality.

Some examples of past projects include:

A small bathroom with a sleek, modern design. This space featured a floating vanity and a walk-in shower with glass doors.

A rustic bathroom with reclaimed wood accents. This space had a clawfoot tub and a custom-built vanity.

A luxury bathroom with marble floors and counters. This space featured his and hers sinks, a soaking tub, and a separate shower.
