ABOUT COMPANY

Lucas Irrigation LLC was founded with one goal in mind: to offer our clients a full range of exceptional irrigation services at cheap pricing. Our company has grown from a two-person operation to a full-fledged professional workforce that can satisfy all of your irrigation requirements. We are committed to building long-term relationships with our clients by providing the highest level of quality on every project we complete. Lucas Irrigation LLC's reputation for customer satisfaction in the Metro Detroit area has helped it establish itself as an industry household name.

Lucas Irrigation LLC understands that the exterior appeal of your home or company is just as essential as the interior. We have a team of professionals who will meet with you to determine your specific requirements. From sprinkler installation to repairs and maintenance, our residential and commercial clients trust Lucas Irrigation LLC to provide the finest.
