Casey did an AMAZING job at our wedding reception! Can't find enough good things to

say about his services!! He is very punctual, professional, and organized. Casey is able to set the mood of the party by reading the atmosphere and has all genres of music for the guests. He captures great moments with good lighting for pictures of the event. Casey keeps and builds a schedule for wedding festivities and has great communication with whole wedding coordination. He has an awesome setup that doesn't take away from venue decor. We HIGHLY recommend his services and will be using him again!!
